

Regulator Forum

“Paving the way for advancement in regulatory interactions”

Accumulus Synergy (“Accumulus”) is a nonprofit trade association working on behalf of industry to address the global need for digital transformation. To help solve for this need, Accumulus is developing a transformative data exchange platform to enable enhanced collaboration and efficiency between life sciences organizations and health authorities worldwide.

As a nonprofit trade association, we are well-positioned to enhance regulatory interactions by developing convening technology solutions within the life science regulatory ecosystem.

JOIN THE DIALOGUE

Health Authority participation in this forum is optional and does not serve as a form of endorsement of Accumulus Synergy.

Purpose

The purpose of the Regulator Forum is to more consistently and efficiently capture health authority and regulating body perspectives on the following Accumulus platform-related topics:

- Product Vision
- Security
- Operations
- Governance

Engaging with health authorities and regulating bodies in this manner will help to ensure that the strategic direction of Accumulus meets their needs.

What to Expect

Play an important role in helping to shape data and information exchange

- ✓ Attend quarterly virtual meetings
- ✓ Provide direct strategic feedback
- ✓ Propose agenda topics
- ✓ Get insight into product vision
